WHO WE ARE

The East Texas Builders Association (ETBA) is a not-for-profit 501(c)(6) trade association located in Longview. Incorporated in 1954, the East Texas Builders Association currently has approximately 365 members and has jurisdiction over nine contiguous counties within the federation of the National Association of Home Builders and the Texas Association of Builders. These counties are Camp, Gregg, Harrison, Marion, Panola, Rusk, Upshur, Franklin and Titus.

ETBA represents the professionals of the East Texas building industry that are members of the association. ETBA supports quality and affordable housing for the home buying public. Promoting and protecting home building and home ownership is the premier call to action for ETBA's leadership and staff.

MISSION STATEMENT

Trusted industry professionals, partnering to build quality homes of tomorrow and to enhance the home building and homeownership experience.

HISTORY

In April 1954, 22 builders and nine associate members applied for a charter as a new association affiliated with the National Association of Home Builders and the Texas Association of Builders. May 15, 1954, four counties... Gregg, Harrison, Rusk and Upshur... were named to the new Longview Home Builders Association. Harvey Little was elected the first president. In that very first year, the association was encouraged by NAHB to conduct a Parade of Homes™ as their initial project. They did, exhibiting four homes in the Parade of 1954, starting an annual event that has continued for 60+ years.

In 1980, the Longview Home Builders changed their name to the East Texas Builders Association, adding Camp, Marion and Panola counties to its jurisdiction. In September of 2011, ETBA gained Franklin & Titus counties to be included in its jurisdiction. From the original 31 members and four counties in 1954, ETBA has grown its membership and includes nine counties.

FIND BUILDER MEMBERS

The East Texas Builders Association encourages seeking the professional services of an experienced home builder. We do not endorse or recommend the practice of self-contracting one's own home. Your home is one of the largest investments you will make in your lifetime. Make the right choice—hire an ETBA Builder member.

Review this guide for a listing of Builders, alphabetical by company name, and find the most current listing of Builder members on our website, easttexasbuilders.org.

FIND ASSOCIATE MEMBERS

The process a home goes through from construction to completion involves more than builders. Many professionals are vital to the home-building industry. These Associate and Affiliate members are the heart of the East Texas Builders Association.

Review this guide for Associate Members, alphabetical order by company name, and find the most current member information at easttexasbuilders.org.

BUSINESS SPECIALTIES

Explore the Business Specialties in this Guide to search by the type of professional you need for your project. At easttexasbuilders.org, you also have the option to search the most updated member information by business activity.

HOME & DESIGN SHOW

This is our 43rd Home & Design Show! The 2023 show will be held at the Maude Cobb Convention Center in Longview. Exhibits are open to the public February 10, 11 and 12. The hours are Friday 5:00 PM–8:00 PM, Saturday 10:00 AM–5:00 PM and Sunday 1:00 PM–4:00 PM. Builders receive free admission on Friday, February 10.

The ETBA Home & Design Show entertains approximately 1,200 visitors during the three day event. Exhibitors feature their latest home-related products and services. During this annual show, you can expect to see home audio & technology, floor plan design, kitchen appliances, countertops, landscape, hot tubs, flooring and much more. Builders will be present to discuss the process of building a dream home. Lenders are available to assist with the home ownership financial plan and mortgage loan application process.

This is a great opportunity for exhibitors to represent their company, market their products and increase walk-in traffic to their retail locations. The benefit to the general public is to meet these vendors face-to-face, establish a point of contact for the company and shop 70+ companies under one roof and in one day. Although it's not a requirement; several exhibitors offer special pricing if the attendee commits to doing business with them during or following the Home & Design Show.

TAB HOMEPAC

HOMEPAC, TAB's political action committee, is an essential part of TAB's advocacy program. HOMEPAC maximizes political contributions by association members by supporting pro-housing candidates and incumbents for both statewide office and the Texas Legislature. It is through voluntary contributions that HOMEPAC can help preserve a positive political climate for the residential construction and development industry in Texas.

CONTRIBUTE

Changes in state law or regulations can be detrimental to your business. Your contribution to HOMEPAC is an investment in the future of our industry and one of the most affordable options for political involvement.

INVEST IN HOMEPAC

Without HOMEPAC's participation, decisions affecting the future of the residential building industry will be influenced by other industries and groups, many of whom represent interests directly opposed to our own. It's only through the voluntary contributions of our members that HOMEPAC can help preserve a positive political climate for the home building and development industry in Texas.

SUGGESTED DONATION LEVELS:

- Capitol Club - $5,000 annually
- Diamond Key - $3,000 annually
- Platinum Key - $1,500 annually
- Gold Key - $1,000 annually
- Silver Star - $500 annually
- Lone Star - $250 annually

Members who donate to the Capitol Club, Diamond Key, Platinum Key and Gold Key levels will receive a lapel pin and special recognition at PAC events. Donations of any amount are welcome and appreciated.

PLEASE JOIN US
for Rally Day in Austin February 2023

HOMEPAC
TEXAS ASSOCIATION OF BUILDERS

HOMEPAC represents your political interests at the state level and is prohibited by law from donating to federal election campaigns. Additionally, HOMEPAC is forbidden by state law from accepting corporate donations and, therefore, may accept only personal or non-corporate contributions. There is no limit to what an individual may contribute to HOMEPAC.

INVEST TODAY IN THE FUTURE OF OUR INDUSTRY!

When the 10,000 members of the Texas Association of Builders come together through HOMEPAC, the home building industry maintains its strong presence at the Texas Capitol. Changes in state law or regulations could be detrimental to your business and bottom line. Your contribution to HOMEPAC is an investment in the future of our industry and one of the most affordable options for political involvement.

HOW DOES HOMEPAC WORK

HOMEPAC is governed by a Board of Trustees who represents all areas of the state and their local home builders associations. The Trustees determine which political candidates will receive support based on the following criteria:

- The candidate's voting record on issues important to the home building industry;
- The candidate's membership on key committees that consider legislation important to home builders;
- The candidate's leadership position; and
- The candidate's understanding of the issues facing home builders and their readiness to assist in advocating for or defeating pieces of legislation important to our industry.

MEMBERSHIP

ABOUT MEMBERSHIP

Thank you for your interest in joining membership with the East Texas Builders Association. Please be aware of the annual membership dues based on your type of business:

- **$600 Builder Membership** = Builder, Remodeler, General Contractor or Developer
- **$500 Associate Membership** = Your company provides home related products, services or trade professional labor.
- **$75 Affiliate Membership** = Your company already has an Associate or Builder Membership with ETBA and you would like to add additional contacts for your company.

STEPS TO MEMBERSHIP:

- Complete the membership application via print & mail or online.
- Pay your membership dues (based on type of membership).
- Your application is reviewed/approved by the Board of Directors.
- A welcome letter and certificate of membership will be mailed to you.
- Following ETBA's Board approval, it takes approximately 20 days for the Texas Association of Builders & National Association of Builders to process your membership.

WHY JOIN...

Three Memberships in One - By joining the East Texas Builders Association you also become a member of the Texas Association of Builders and the National Association of Home Builders.

Marketing Opportunities - Advertise on the ETBA website, in the Spring/Fall Parade of Homes magazines, Sponsor a Special Events and/or participate in the Home & Design Show.

Networking - Being involved develops new business contacts. Serve on a Committee, Attend Membership Dinner Meetings and Social Events.

ETBA Website - Enhanced Listings, Membership Directory and Direct links to TAB, NAHB and the East Texas Community.

Educational Opportunities - ETBA offers informative educational seminars pertaining directly to the building industry.

Discount Programs - NAHB, TAB

Image and Credibility - The ETBA was chartered in 1954 and the State and National Association were established ***more than 65 years ago***. Your membership is sending the message that you value the same high standards and fair business practices as the ETBA, TAB & NAHB.

Special Events - Spring & Fall Parade of Homes, Home & Design Show, Golf Tournament, Sporting Clays Tournament, Top Shot Social, Cook-Off, Bowling with Builders and the Builder Bash-Washer Tournament.

Scholarship Program - The James Kilpatrick, James Varner, Sam Clark & Jimmie Snider Scholarships are available to ETBA member's children.

Support the Home Building Industry - There is great satisfaction in knowing that you are supporting the industry that is supporting you.

SCHOLARSHIPS

The East Texas Builders Association (ETBA) proudly recognized and awarded seven scholarship recipients at the August 3rd dinner at Cassity Jones Building Materials. ETBA expressed their appreciation to Cassity Jones Building Materials for sponsoring and hosting this annual dinner for the last five years.

During the dinner, ETBA Scholarship Chairman, Bryan Robinson announced the newest recipients and ETBA President Mindy Hamilton presented certificates and checks to those present. The 2021/2022 James Kilpatrick scholarship recipients are Emma Cross, Landon Davis, Jaycie Bradley, Kylie Pepper, Katelyn Jester and Daniel Littlejohn. The 2021/2022 James Varner Scholarship recipient is Macey Alston. Hamilton and Robinson extended their most proud congratulations to each of these recipients.

The ETBA member companies that are represented by each of these recipients and their parents are: Austin Bank, Cassity Jones Building Materials, Meridian Brick, Eastman Credit Union, East Texas Homes, Tessa Bradley Custom Homes and National Wholesale Supply.

The James Kilpatrick Scholarship Fund was established in 2002 in memory of Mr. Kilpatrick, a long time builder member of the Association and ETBA President in 1992. The Kilpatrick Scholarship funds are generated through ETBA's annual Sporting Clays Tournament.

The James Varner Memorial Scholarship was established in 2012 in memory of long time ETBA builder member, James Varner. Chairman Robinson recognized the Varner family members that were present to witness the ninth James Varner Scholarship being awarded. The funds for this scholarship are raised through private donations and only one Varner Scholarship is awarded each year. The recipient is usually pursuing a career in the building industry and the recipient's name is displayed on a plaque in the Board Room at the ETBA office.

The East Texas Builders Association has awarded a total of $175,700 in scholarships since 2002. This would not be possible without each and every partner, supporter and sponsor.

Please join us for a social and dinner August 2, 2022 at Cassity Jones Building Materials in Longview, as we recognize the 2022 scholarship recipients.

HARMAR
we lift lives

Whether due to an injury or illness, age or ability, the thought of getting up and down a staircase becomes more challenging. Safety and security are primary concerns, but so is being able to enjoy your life... your family.

HARMAR
we lift lives

Harmar Highlander Vertical Platform Lifts (VPL), also known as Porch Lifts, are a great lift option for indoor and outdoor access. Whether you are having fun summer barbeque, a simple get together on a deck, or gaining access into a home, a VPL offers you full access to your home and yard without the burden of transferring out of your power chair, scooter, or wheelchair.

handicare
Making everyday life easier

Designed with caregivers in mind, Handicare ceiling lifts are perfect for home use. Our ceiling lift systems provide a new sense of confidence. We manufacture a complete line of portable and fixed ceiling lifts.

Aqua Creek Products

Aqua Creek is a premier manufacturer of recreational, fitness and access equipment. We offer several different pool & spa lifts for commercial and residential use. Many lifts are not only ADA compliant for use on commercial properties but also UL Certified to the new Pool Lift Safety Standard.
